

**Session 4 Dehumanized Population**

**Presentation 2**

Speaker biography

**Professor Hsiao-Chuan Hsia**

Professor, Graduate Institute for Social Transformation Studies

Shih Hsin University, Taiwan

Professor Hsia-Chuan Hsia is one of a leading researcher and activist on the empowerment of marriage migrants and their families in Taiwan since 1990s. She is an editor for *Multiculturalism in East Asia: A Transnational Exploration of Japan, South Korea and Taiwan*, published by Rowman & Littlefield International. Her current research interests include the construction of a system to accept diverse cultural backgrounds and the issues concerning multi-citizenship of marriage migrants in Taiwan.
